

Dear parents, caregivers, and students,

Your student is invited to participate in the Camelot Elementary School Chorus, an optional group for students who love to sing and want to improve their singing skills. We rehearse and perform a variety of vocal pieces, laying a strong foundation for future choral work at the middle and high school levels. Camelot chorus meets once per week during the regular school day and is open to all interested 5th and 6th grade students.

In our rehearsals, we will be following the health and safety guidelines for safe singing in schools developed by the FCPS Fine Arts Office and the National Association for Music Education. We are looking at options for safe opportunities to share our work through performances and will keep families informed as more information becomes available.

If you are interested, please complete this [Google Form](#) by **Friday, October 1**. Please feel free to email us any questions and we will respond as soon as possible. We are looking forward to making music with Camelot Chorus students very soon!
