

After School Enrichment Classes - Winter Session (January - March)

Registration is open! The Camelot PTA is excited to offer several fee based after school enrichment options. The majority of classes run for one hour a week/4:00 pm - 5:00 pm, unless noted below. For additional information and registration links please reference the PTA website:

www.camelotpta.org/enrichment

A limited number of scholarships are available for free and reduced lunch students, see registration links for more information. Any questions or future class suggestions, contact Diane Ramos at camelotes.enrichment@gmail.com

Tuesdays

Silver Knights Chess Club

Grades K - 6

January 21th - March 24th

\$116/8 sessions

Playing chess is a great way to develop a child's critical thinking skills, sportsmanship, and patience – all while having fun! Silver Knights instructors use a curriculum developed by National Masters for a combination of learning and play. No class 1/28 & 3/3. **To register, please visit:** <https://www.skenrichment.com/clubs/fairfax.html>

Tuesdays

“Grow,” A Leadership Program for Girls

Grades 3 - 6

January 21th - March 24^h

\$96/8 sessions

Grow is not a “girl power” club. Girls already have the power! Grow is about solidarity, visibility, and validation. It's about changing perspectives, finding role models, and sharing experiences and opinions through hands-on workshops designed specifically for the inequities girls face today. No class 1/28 & 3/3. **To register, please visit:** <https://ticenrichment.campbrainregistration.com/>

Wednesdays

Robotics Club

Grades 1 - 6

January 22nd - March 11th

\$176/8 sessions

In Silver Knights Robotics clubs, students work in pairs with 280 piece LEGO® WeDo 2.0 kit and a tablet to build and code robots with gears, pulleys, and wheels. We have several years of curriculum, so students who like the club can sign up over and over again, to build, code, and test new projects. Silver Knights provides all the equipment, so students don't need to bring anything except for enthusiasm and curiosity! **To register, please visit:** <https://www.skenrichment.com/clubs/fairfax.html>

Fridays

artXplorations
Grades 4 - 6, 8:00 am - 9:00 am
Grades K - 3, 4:00 pm - 5:00 pm
January 24th- March 13th
\$150/8 classes

ArtXplorations offers an amazing slate of all new art projects for your kids. From sketching in charcoal to acrylic impressionism, the projects allow each child a chance to find his or her own visual voice. Limited spaces with unlimited learning. Please note there are two classes this session, grades 4 - 6 (mornings, 8am - 9am) and grades K - 3 (afternoons, 4:00 pm - 5:00 pm) **To register, please visit:** <https://artxplorations.com/product/fcps-registration/>

Fridays

Coding Club
Grades 2 - 6
January 24th- March 13th
\$176/8 sessions

Silver Knights Coding Club teaches children to create stories, games, and animations using Scratch, a visual programming language. New coders learn the basics while challenging more experienced coders to create increasingly complex programs while offering different projects every session. **To register, please visit:** <https://www.skenrichment.com/clubs/fairfax.html>
